

# ACHIEVING HEALTH EQUITY with inclusive interdisciplinary walk/move audits

**Friday July 24, 2020 from 12-1:30 pm EST**

Join national and local leaders in a virtual conversation about their interdisciplinary research and advocacy-based perspectives to create inclusive, walkable and moveable (i.e., where everyone can move freely) communities. We will address spatial privilege and tools for inclusion using reflective listening, community scholarship, and lived experience to navigate the conversation.

**Featuring:**
